

Celebrate girl power with an extra special event at Dallas Boat Quay.

Here at Dallas, we'd like to salute the power of womanhood on International Women's Day 2026. Since such an important occasion should be celebrated in an elegant and memorable manner, an event at our Boat Quay outlet would be a great way to raise your glasses and savour the very best canapés in Singapore.

If you book your event at Boat Quay Level 3 on any date in March, you can enjoy the following benefits.

- 10% off our existing Packages
- Free room hire
- Happy Hour prices before and after the event
- \$100 Gift Voucher
